You'll Never Walk Alone - Gerry & The Pacemakers

There's a sign on the gates of Heaven
In letters bright and clear
With words that say, that as from today
Darren Smiley Chops Lynch is here.
He's gone to brighten up heaven
A job he can handle with style
With his fun loving ways, and as everyone says
His warm and welcoming smile.

There's a note being written in Heaven
From a much-loved Husband and Dad
To say 'Thanks' for the love he was given
By the wonderful family he had.
To Elaine, his wife, the love of his life
There's a message that's filled with love
And to their special hat-trick, Grace, Max and Patrick
Come kisses from heaven above.

There's a new 'Star' shining in Heaven
Darren is that special Star
And if you look up high, in the evening sky
He'll twinkle at you, from afar.
So tonight, when you're thinking of Darren
Look up to those stars shining bright
And from there high above, he'll be sending his love
From his own little Heaven tonight.

Darren's family wish to express their sincere thanks for the kind expressions of sympathy received in their bereavement.
