Farewell My Friends

By Gitanjali Ghei

**It was beautiful as long as it lasted
The journey of my life.**

**I have no regrets whatsoever
Save the pain I'll leave behind.**

**Those dear hearts who love and care...
And the strings pulling at the heart and soul...**

**The strong arms that held me up
When my own strength let me down.**

**At every turning of my life I came across good friends,
Friends who stood by me,**

**Even when the time raced me by.
Farewell, farewell, my friends**

I smile and bid you goodbye.

**No, shed no tears for I need them not
All I need is your smile.**

**If you feel sad do think of me
for that's what I'll like when you live in the hearts
Of those you love, remember then
You never die.**

Maureen's family wish to express their sincere thanks for the kind expressions of sympathy received in their bereavement.
