## Inner Strength

It's only through mistakes we make  
We learn where we went wrong.  
It's only when we're far from home  
We realise where we belong.

It's only when we close our eyes  
Our dreams seem clear and bright.  
It's only in our darkest hours  
We truly see the light.

It's only when we lose our way  
We pray to the stars above.  
It's only through times of grief  
We learn the true meaning of love.

It's only when all hope seems lost  
And our weary journey seems so far,  
When all the world's against you,  
We learn how strong we really are.

All things are sent to try us.  
We must strive and give our best.  
I believe God is watching over us,  
And he guides us in our quest.

*I want to be like a sunflower so that even on the darkest days  
I will stand tall and find the sunlight.*
